

## Health Services in Mewat.

### Following steps were taken to improve various health programmes in District Mewat.

1. **Infrastructure:-**

- Total No. of General Hospital :01 (At Manidikhera)
- Total No. of CHC :03 (At Nuh, Punhana &F.P. Jhirka)
- Total No. of PHC :10( Biwan, Nagina, Marora, Singar, Pingwan, Tigaon, M.P. Ahir, Tauru, Ghasera & Ujina)
- In addition to already existing health instution (GH/CHC/PHC/S/C), 7 PHCs and 54 Sub Centres were sanctioned and 7 PHCs, 32 Sub Centres is likely to be started very shortly and process of construction of rest of the Sub Centres are going on.
- Upgradation of one CHC from PHC (Pingwan) and 4 PHCs under construction funded by Multi Sectoral Development Plan, Govt. of India (Ministry of Minorities)

2. **Human Resouces:-** To sort out the problem of shortage of Doctors in Mewat, a special incentive was sanctioned in year 2009. At present the following specialist Doctors are working in District Mewat.

- |      |                |   |
|------|----------------|---|
| i.   | Anaesthetist   | 2 |
| ii.  | Physician      | 2 |
| iii. | Orthopeadician | 2 |
| iv.  | Eye Surgeon    | 3 |
| v.   | Gyneacologist  | 1 |
| vi.  | Peadiatrician  | 1 |

Under NRHM the post of various categories of Para Medcial Staff have been filled on contract basis

3. **Referral Traspost Scheme:-** In Oct, 2007, this scheme was launched in District Mewat only funded by MDA for transporting pregnant mother from their houses to Health Facilities for improving institutional Deliveries free of cost. Later Haryana Govt. under NRHM this scheme was expanded in whole of Haryana in year Nov. 2009. Under this Scheme Pregnant Monther, Infant upto 30 days, Roadside accident and serious patient belonging to the BPL Families are entitled for free of cost for providing ambulances from their homes/accidental sites to health institution and higher centres for providing appropriate treatment. At present there are 18 ambulances in the fleet of RTS and for 4 additional

ambulances have demanded will be received very soon. So far 48838 patients were benefited under this scheme.

4. **Janany Shishu Surksha Yojna:-** This scheme was launched from district Mewat on 1st June, 2011 and inaugurated by Smt. Sonia Gandhi, Chairperson of National Advisory Council. Under this scheme these were the main components:-
  - **Free Delivery.**
  - **Free Medicines/Free Treatment (During pregnancy, during delivery and upto 42 days after delivery and New born upto 30 days)**
  - **Free Transport**
  - **Free Diet**
  
5. **Janany Surksha Yojna:-** There are two components of this scheme i.e. STATE and NRHM. Under State component the benefits are being given to all SC pregnant lady in the form Rs. 1500 hundred in various stages or lump sum and in NRHM components the benefits are being given pregnant mothers belonging to SC/BPL family upto two children and benefits are given in the form of Rs. 500 hundred and 700 hundred for home and institutional delivery respectively in rural area. Rs. 600 hundred given in urban area.
  
6. **Immunization** :- As per DLHS-III (2008-09) the full immunized children was 12 %. After that immunization transport system was established in year 2009 to improve the immunization coverage as public transport system in district Mewat was very poor on every Wednesday and Friday these vehicles carry vaccine and staff to the outreach session. With the result there are improvements in the immunization coverage. Year 2012-13 was declared as year of intensification of routine immunization. For special immunization were celebrated in this year in Dec. 2012, January, Feb. and March 2013. New computerized micro plans were prepared and has been implemented and there is no left out area in this district without immunization session. Front line workers( ANM, AWW, ASHA) were trained in RI and are helping in mobilizing the community to the session site.
  
7. **Immunization transport Service:-** 27 vehicles hired under this services funded by MDA. Detailed already given in point 6.
